

**REMARKS**

Claims 1 and 4-81 are pending in this application. Claims 2 and 3 have been canceled and their limitations have been incorporated in amended independent claim 1. Claims 4-7, 12, 13, 16, 17, 21 and 22 have been amended to correct the claim dependency. Applicants acknowledge with appreciation the allowance of claims 39-81.

In the Office Action dated June 30, 2005, claim 3 has been indicated as being "objected to as being dependent upon a rejected base claim, but would be allowable if rewritten in independent form to include all of the limitations of the base claim and any intervening claims." (June 30, 2005 Office Action at 5). Applicants have amended independent claim 1 to incorporate all limitations of claims 2 and 3, as directed by the last Office Action, and claim 1 is now in condition for allowance.

The title of the invention has been amended to more clearly describe the subject matter of the claimed invention.

A Notice of Allowance for all pending claims is solicited.
